To

The General Secretary,
to the Government of His Highness the Maharaja of
Mysore

GENERAL SECRETARIAT
25 JULY 1933

SIR

In continuation of my D O letter No 296 dated the 14th September 1932 informing you that the question of shifting of the Epidemic Diseases Hospital from its present site may be considered as having been dropped for the present, I have the honour to state that the location of the Industrial Suburb in the land belonging to Sowcar Mr Thammanna had to be given up in view of the unacceptable terms put forth by the owner The only place available for this purpose is the vacant plot of ground marked "A" in the plan and laid out into 48 sites to the north of the existing Epidemic Diseases Hospital and unless suitable sites are given here immediately, there is no possibility of the existing weaving factories in the city being shifted outside in the near future and the nuisance of their existence in residential quarters particularly in the heart of the city cannot be abated The Director of Public Health who was consulted in the matter in this office No 697 dated 21st December 1932 has no objection to the disposal of 24 sites vide copy of his D O letter No 439-11 dated 23rd December 1932

2 The vacant plot of ground marked "B" in the plan between the Central Institute for defectives and the Epidemic Diseases

Hospital is proposed to be laid out into 33 building sites of various dimensions These sites are to be alloted mostly to the persons whose houses were acquired for the Ayurvedic College These properties were taken possession of from the owners with much difficulty and after adopting coercive measures and on the assurance that they would be given sites closeby in exchange There is no other place available but this plot close to the City to push through the scheme of housing displaced people Although sites have been alloted to a few of the displaced people, the Board at their ordinary meeting held on 30th June 1933 have resolved that the allotment is approved subject to the condition that no construction will be permitted till the Epidemic Diseases Hospital is removed in respect of which a reference may be submitted to Government, copies of Resolution No V and VI are also forwarded herewith for reference

3 The shifting of the Epidemic Diseases Hospital vests with the Senior Surgeon to the Government and the P W D in whose charge the Hospital is In view of the urgency and the difficulty experienced in housing the displaced people the Board will have no objection to contribute nearly a sum of Rs 6,000/- towards the cost of shifting of the Hospital from its present site out of the sale proceeds of the sites to be formed in plots "A", "B" and the land now occupied by the Epidemic Diseases Hospital

4 Under these circumstances, I request that you will be so good as to obtain the administrative sanction of Government for the shifting of the Epidemic Diseases Hospital and to the formation and allotment of sites in plots "A & B' to minor Industries and residential quarters The Senior Surgeon and the Chief Engineer may also be kindly instructed to select a site for the purpose and to intimate the Government the cost of shifting the hospital so that the method of financing the scheme may be settled

I have the honor to be,
Sir,
Your most obedient servant,

Chairman

Copy of letter (D O )No 439-11 dated 23rd December 1932 from the Director of Health in Mysore, to the Chairman, City Improvement Trust Board, Mysore

---

Your D O No 697 of the 20/21st December 1932 in regard to the lay out of an Industrial Suburb in Ediga I have been under the impression that this question had been already decided and approval of Sir Mirza obtained

Personally I would not have a congested industiral suburb grow close to the Epidemic Diseases Hospital I have, however, no objection to allotting the sites in the northern Block (24 sites) for weaving factories Plan is herewith returned

SIR

With reference to your letter No L 7943/M1 76-33-7 dated 16/17th May 1935, regarding the shifting of the Epidemic Diseases Hospital, Mysore, to a site in the Mysore Mahadevapur Road, I have the honor to state that the vacant plot of ground B, between the Central Institute for ~~the~~ Defectives and the Epidemic Diseases Hospital has been laid out into building sites and most of the sites have been disposed of In regard to the vacant plot A to the North of the Epidemic Diseases Hospital which was intended for Minor Industries, it has been ordered during a subsequent inspection that the Minor Industries may be located to the North of the Essenfleur Products Company's premises in Ediga The area now proposed belongs to private parties and the same will have to be acquired A portion of the area has already been taken possession of and the acquisition proceedings are not yet complete

The site now selected for the construction of the Epidemic Diseases Hospital is on Mysore-Mahadevpur Road and has been approved of both by the Director of Public Health

and the Senior Surgeon  It will however, be shown to the Dewan during his next inspection

I have the honor to be,

Sir,

Your most obedient servant,

Chairman
